

Power for teacher's desk is on this wall, but this location does not give her the best sightlines. The desk's location shown in this space plan is best to separate the variety of functions in this room and has a better adjacency to the main door where the students enter.

Program requires carrels for 20 students, but only 19 accommodated.

Suite 135 – Academic Support Staff – REVISED

Indian Community School

Floor 1, Area B
